

Welcome to Mirbeau! We have designed our beverage offerings for those who seek classic pleasures and wish to enjoy a unique and complete dining experience. We hope to delight you with our carefully curated beverages to pair with our inventive and delicious food.

To further elevate your experience, in addition to our Wine, Cocktail, Beer, and Zero Proof offerings, we have added a selection of Aperitifs, Digestifs, and a selection of classic cocktails.

An aperitif is meant to entice the palate and whet the appetite, while digestifs help settle the stomach and facilitate the digestion after a filling meal. These are small drinks designed to be enjoyed as an enhancement to your dining experience. Please enjoy and allow us to truly care for you!

Bon Apetit!
